

CASE STUDY

IMAGINE | CREATE | DISPLAY

CLIENT:
Backhouse Jones Solicitors

SCOPE OF WORK:
Supply of a modular stand that could be adapted to different layouts.

SYSTEM SPECIFICATIONS:
2.5m high x 6m wall

PROJECT OVERVIEW:

The client attends major exhibitions throughout the UK and wanted one modular system, able to adapt to different configurations.

Even though TRIGA® Max is a self-build system they contracted TRIGA UK to manage all their exhibition set-ups and breakdowns including storage and replacement graphics.

TRIGA UK deal direct with their marketing department and offer a full turn-key solution.

BENEFITS:

TRIGA® Max was the preferred product because of its versatility and easy of use.

INNOVATIVE TENSIONED TEXTILE DISPLAY SOLUTIONS
