

CASE STUDY

IMAGINE | CREATE | DISPLAY

CLIENT:
International Law Firm - Slater and Gordon

SCOPE OF WORK:
Supply of a versatile stand that could be adapted to different layouts.

SYSTEM SPECIFICATIONS:
2.5m high x 6m wall
1.0m wide counter

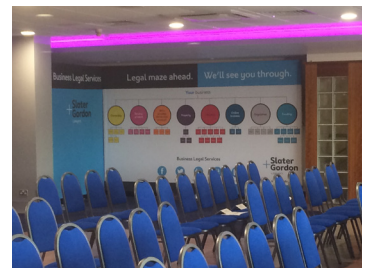

PROJECT OVERVIEW:

Client requested a lightweight modular display stand able to adapt to the varying floor spaces they book at different events. The system had to be simple enough to self-build. The photos enclosed are from different events where the TRIGA® Max stand supplied has been re-configured

TRIGA UK deal direct with their marketing department and offer advice on stand design and supply all new printed graphics.

BENEFITS:

TRIGA® Max was the preferred product because of its versatility and easy of use.
